

Australian History

The worksheet features five large, empty circles arranged in a cluster, intended for students to write notes. Six stars are placed around the circles: one on the top-left circle, one on the top-right circle, one between the top-right and middle circles, one between the middle and bottom-left circles, one on the bottom-left circle, and one between the bottom-left and bottom-right circles. A legend at the bottom left shows a star icon followed by the text 'Significant Events and People'.

Colonial Australia - Year 5

1. What do we know about the lives of people in Australia's colonial past and how do we know?
2. How did an Australian colony develop over time and why?
3. How did colonial settlement change the environment?
4. What were the significant events and who were the significant people that shaped Australia's colonies?

Environment

Empathy

-

The diagram consists of three rows of empty boxes. Each row has a box on the left and a box on the right, connected by a right-pointing arrow. The boxes are white with a thin black border and rounded corners. The arrows are black and point from the right side of the left box to the left side of the right box.
